ALMA MATER

Oh! Shady Grove the school we love so dearly.
Your name and aim we'll try to maintain.
When we're gone and memories linger on.
You'll always be the dearest school we know.

We're boys and girls with a dear old school.
We'll do our best in everything we do.
You'll always be the dearest school we know.
Oh! Shady Grove, Oh! Shady Grove we love you so.

HISTORICAL SKETCH

The Shady Grove School was organized in 1800 by a plantation owner, his name is unknown to us presently. He organized the school for the benefit of his share croppers.

The plantation owner started the school under a brush arbor in his backyard; he was also the teacher for several years.

In 1805, a young man by the name of Sam Craig became qualified to teach. He held classes in the Shady Grove Baptist Church, which was a small log cabin at the time. The term was one month per year.

As time passed, the people of the community added another term which gave them two months.

Mrs. Ada Brice was Mr. Craig's successor. During this time Mrs. Virginia Peoples became a part-time teacher.

In 1807, Mr. James Jackson became the permanent teacher.

The parish took possession of the school in 1892 and built a new school and extended the school term to five months. Several teachers of high educational quality taught during this time.

After some years had passed the Shady Grove and St. Mary communities worked together to raise enough money to buy land to build a better school. They raised enough to buy ten acres. The school was built in 1916.

Mr. Albert Scott and Mrs. Clara MCGuire were the first to teach in the new school. The school was destroyed by a tornado and rebuilt in 1922-23.

Mr. J. N. Blankenship took the position as principal and worked with dedication for several years. Mrs. Fannie Blankenship, wife of the principal, was one of the teachers during this period. Mr. Blankenship was transferred to another school and M. C. Baker took the job of principal.

In 1935, Mr. M. C. Baker was transferred to Bienville and Mr. O. J. Lewis took over as principal. Mr. Lewis dedicated his efforts to raising the quality of education for boys and girls of this community. He developed quality programs of learning. For this effort the school was made a high school in 1935.

In 1956, under the excellent leadership of Mr. Lewis, the voters of the district decided to vote a bond indebtedness to erect a Gym-Classroom complex and brick veneer the old wooden structure. Mr. Lewis gave 32 years of his life to the school and community. He retired in 1968 due to poor health.

Prior to the 70's the Shady Grove High School had some outstanding teams. The teams of 1958, 1959, and 1960 deserve special recognition in the annals of our history. They were representatives in the State Basketball Tournament three consecutive years and won State Championships two of those years--1958 and 1959. It became known as the era of the Satcher's. We take great pride in listing the members of this era of competition.

The 1959 team had the distinction of not only winning the State Championship but also the Over-All Championship. Playing in Class "A", the smallest classification of the LIALO, the 1959 team defeated the "AA" and "AAA" State Champs thus qualifying to compete for the National Title in Nashville, Tenn. However, because of limited finances, the team was not able to make the trip to Tenn.

The 1959 team was probably the greatest team in the history of the school. Their accomplishments speak clearly.

If an attempt was made to name an All-Time Team of Wildcats I am not sure such a task would be possible since persons who played prior to the building of the Gymnasium would be omitted. However, we shall attempt to name some of the greatest players since 1956 and offer an apology to all pre-1956 players.

F. S. Sorry if we forgot you.

If we were to pick the Most Valuable Players--boy and girl--to ever don a "Wildcat" uniform we have many who would be in the running. However, we must think in terms of accomplishments of the teams they played on. So, with this in mind, we will have to go with Jerry Satcher and Angela Turner. Both were captains of their respective teams for more than one year and led teams to State Championships.
